Creative Director Ramesh Nair's latest work includes a host of small leather goods—notebook covers, passport holders, pouches, key rings, and charms—each embellished with playful icons of automobiles, trains, and animals. The items are constructed with Taurillon Gex leather in colors customized for the house. Moynat's skilled artisans practice extreme precision with every manual cut and assemble each piece together to create the designed motif. Every mosaic is a unique work of art with seams that are undetectable to both the eye and to the touch. Crossword puzzles are for everyone. Whether the skill level is as a beginner or something more advanced, they're an ideal way to pass the time when you have nothing else to do like waiting in an airport, sitting in your car or as a means to sharpen your mind.
